

March 11, 2025

To whom it may concern:

I have been using Paniccia Construction as our General Contractors for the past four years and I am very happy with the quality of their work and the industry knowledge they have with lab fit outs for class A office buildouts for Life sciences companies. They perform very high-quality work and the projects they did for us came in on time and on budget.

I would highly recommend Paniccia Construction as a GC for any lab or office projects.

Sincerely,

John Izzo
